**Attachments:** 10day-deficiency-letter-draft.HG.3.11.19.updated.V3.pdf.signed.pdf

Hi Jessica:

Please find attached a deficiency letter for the chlormequat chloride package you recently submitted. I understand we chatted about the alternate CSF issue already. That issue can be addressed when you revise the CSF with the inert deficiency. The benefits piece should be emailed to me as soon as possible. If you have any questions please call me today or tomorrow. Please also acknowledge receipt of this letter.

Thanks,  
Heather
